made under the

CORPORATIONS TAX ACT

Made: December 19, 2008
Filed: December 30, 2008
Published on e-Laws: December 31, 2008
Printed in *The Ontario Gazette*: January 17, 2009

Amending O. Reg. 155/03
(Tax Incentive for Investing in Ontario Jobs and Opportunity Bonds)

Note: Ontario Regulation 155/03 has not previously been amended.

1. Section 1 of Ontario Regulation 155/03 is revoked and the following substituted:

Tax incentive

1. The tax incentive to which a corporation is entitled under subsection 37.1 (2) of the Act for a taxation year in respect of the interest received or receivable by the corporation on an Ontario Jobs and Opportunity Bond is,

- (a) a deduction in computing income from a business or property for the year, in the amount determined under section 2, if the taxation year ends before January 1, 2009; or
- (b) the payment of a refund determined under section 2.1 if the taxation year ends after December 31, 2008.

2. (1) Subsection 2 (1) of the Regulation is amended by striking out the portion before the definition of “A” and substituting the following:

Deduction for taxation years ending before January 1, 2009

(1) Subject to subsections (2) and (3), the amount of the deduction referred to in clause 1 (a) that a corporation is entitled to claim in computing its income from a business or property for the purposes of Part II of the Act for a taxation year ending before January 1, 2009 is the amount by which “A” exceeds “B” where,

.

(2) Subsection 2 (2) of the Regulation is revoked and the following substituted:

(2) If a corporation is a member of a partnership and the partnership owns an interest in an Ontario Jobs and Opportunity Bond in a fiscal period of the partnership that ends in a taxation year of the corporation ending before January 1, 2009, the amount of the corporation’s deduction under this section for that taxation year in respect of the interest earned by the partnership on the bond for that fiscal period cannot exceed the amount that may reasonably be considered to be the share of the interest earned to which the corporation is entitled under the partnership agreement.

(3) Subsection 2 (3) of the Regulation is amended by striking out “No deduction may be claimed by a corporation” at the beginning and substituting “No deduction may be claimed by a corporation for a taxation year ending before January 1, 2009”.

3. The Regulation is amended by adding the following section:

Refund for taxation years ending after December 31, 2008

2.1 (1) Subject to subsections (3) and (4), the amount of the refund referred to in clause 1 (b) for a taxation year ending after December 31, 2008 is determined as follows:

- 1. If the corporation is exempt from tax for the year under Part III of the *Taxation Act, 2007*, the refund is nil.

2. If the corporation would have had no taxable income for the year for the purposes of the *Taxation Act, 2007* if the corporation had been entitled to deduct its Ontario Jobs and Opportunity Bond income when calculating its income for the year for the purposes of Division B of Part III of that Act, the refund is calculated using the formula,

$$C + [(D - E) \times F]$$

in which,

“C” is the amount of tax that would be payable by the corporation under the *Taxation Act, 2007* for the year if that amount were determined under only subdivision a of Division B of Part III of that Act,

“D” is the amount, if any, of the corporation’s Ontario Jobs and Opportunity Bond income for the year as determined under subsection (2),

“E” is the corporation’s taxable income for the year as determined under the *Taxation Act, 2007*, and

“F” is the corporation’s adjusted basic rate for the year as determined under subsection 46 (1) of the *Taxation Act, 2007*.

3. If neither paragraph 1 nor 2 applies to the corporation for the taxation year, the refund is calculated using the formula,

$$C - G$$

in which,

“C” has the same meaning as in paragraph 2, and

“G” is the amount of tax that would be payable by the corporation under the *Taxation Act, 2007* for the year if that amount were,

(a) determined under only subdivision a of Division B of Part III of that Act, and

(b) determined as if the corporation were entitled to deduct in computing its income an amount equal to its Ontario Jobs and Opportunity Bond income, if any, for the year.

- (2) For the purposes of subsection (1), a corporation’s Ontario Jobs and Opportunity Bond income for a taxation year is the amount calculated using the formula,

$$H - I$$

in which,

“H” is the sum of all amounts, each of which is interest in respect of an Ontario Jobs and Opportunity Bond that is included in computing the corporation’s income for the taxation year under section 12 or subsection 20 (14) of the *Income Tax Act (Canada)*, and

“I” is the sum of all amounts, each of which is a deduction that is claimed by the corporation for the taxation year under subsection 20 (14) of the *Income Tax Act (Canada)* in respect of interest on an Ontario Jobs and Opportunity Bond that is included in computing the corporation’s income for the year.

- (3) If a corporation is a member of a partnership and the partnership owns an interest in an Ontario Jobs and Opportunity Bond in a fiscal period of the partnership that ends in a taxation year of the corporation ending after December 31, 2008, the amount of the corporation’s Ontario Jobs and Opportunity Bond income in respect of that bond cannot exceed the amount that may reasonably be considered to be the share of the interest earned by the partnership on the bond to which the corporation is entitled under the partnership agreement.

- (4) The amount of a refund referred to in clause 1 (b) for a taxation year ending after December 31, 2008 is nil unless a written application for the refund, containing sufficient information to enable the Minister to determine the amount of the refund, is received by the Minister not more than 365 days after the end of the taxation year to which the refund relates.

- (b) if the corporation is entitled to a refund, pay the refund and any interest payable under subsection (5) to the corporation, except that if the corporation is liable or is about to become liable for an amount to the Crown in right of Ontario under any Act, the Minister may apply all or part of the refund and interest to that liability and notify the corporation of that action.

(8) A corporation that receives a refund or interest to which it is not entitled under this section, or receives an amount greater than the amount to which it is entitled, shall repay the amount or the excess amount, as the case may be, to the Minister.

(9) All amounts repayable under subsection (8) shall bear interest as if they were tax payable under the Act and may be assessed and collected as if they were tax payable under the Act.

(10) Part V of the Act applies with necessary modifications in respect of a refund and notice of entitlement under this section as if a notice of entitlement were a notice of assessment.

(i) no amount were included under paragraph 1204 (1) (a) of the Federal regulations, and

(ii) no amount were included in the corporation’s income for the year from the processing in Canada of ore described in clause 1204 (1) (b) (iv) (A), (B) or (C) of the Federal regulations;

(b) if references to a resource activity in subparagraph 1204 (1.1) (a) (iv), subclause 1204 (1.1) (a) (v) (A) (I) and clause 1204 (1.1) (a) (v) (B) of the Federal regulations were read as references to a resource activity other than an activity described in paragraph (d) of the definition of “resource activity” in subsection 1206 (1) of the Federal regulations;

(c) if the corporation’s gross resource profits for the year under subsection 1204 (1) of the Federal regulations and its resource profits for the year under subsection 1204 (1.1) of the Federal regulations were determined on the basis that,

(i) no amount would be deductible in computing the corporation’s income for the year in respect of a rental or royalty paid or payable by the corporation and computed by reference to the amount or value of fossil fuel produced from a Canadian fossil fuel source, other than,

(A) an amount in respect of an exempt rental or royalty,

(B) an amount that is a production royalty, or

(C) an amount paid or payable in respect of a specified royalty,

(ii) no amount would be deductible in computing the corporation’s income for the year under paragraph 20 (1) (e), (e.1), (e.2) or (f) of the Federal Act or as, on account of or in lieu of, interest in respect of a debt owed by the corporation,

(iii) no amount would be deductible in computing the corporation’s income under any of sections 65 to 66.7 of the Federal Act, subsection 17 (2) or (6) of the *Income Tax Application Rules* or section 29 of those Rules, and

(iv) section 11.0.1, other than subsection 11.0.1 (4), and subsections 26 (4.1), (6) and (7) and 31 (1.2) of the *Corporations Tax Act* would apply in computing the corporation’s income for the year even though those provisions would not otherwise apply for the year;

(d) if the corporation’s share of the income or loss of a partnership from any source were deemed to be nil; and

(e) if each of subsections 1204 (1) and (1.1) of the Federal regulations were deemed to allow the computation of a negative amount if the sum of the amounts deducted under the subsection exceeded the sum of the amounts added under that subsection.

(6) For the purposes of the definition of “G” in subsection (4), a corporation’s share for a taxation year of a particular partnership’s adjusted resource profits for a fiscal period ending in the year is determined as follows:

1. If the corporation does not hold a direct interest in the particular partnership at the end of the fiscal period, the corporation’s share of the partnership’s adjusted resource profits is deemed to be nil.

2. If the corporation holds a direct interest in the particular partnership at the end of the fiscal period, the corporation's share of the partnership's adjusted resource profits is the amount that may reasonably be considered to represent the corporation's share of the partnership's adjusted resource profits for the fiscal period, determined under subsection (4) as if,
 - i. the particular partnership and every other partnership in which the corporation has an indirect interest through the particular partnership were corporations, each having a taxation year that is the same as its fiscal period,
 - ii. subclause (5) (c) (iv) applied to the particular partnership, but only if the corporation is a majority interest partner in that partnership at the end of the fiscal period,
 - iii. subclause (5) (c) (iv) applied to another partnership in which the corporation held an indirect interest through the particular partnership, but only if the corporation is a majority interest partner in the particular partnership at the end of the fiscal period and is a majority interest partner in the other partnership at any time in the fiscal period, and
 - iv. this section were read without reference to subsection (7).

(7) Despite subsection (6), a corporation's share for a taxation year of the adjusted resource profits of a partnership for a fiscal period of the partnership ending in the year is deemed to be nil unless the corporation holds a direct interest in and is a majority interest partner of the partnership at the end of the fiscal period and does not have, through that partnership, an indirect interest in another partnership other than,

- (a) a partnership of which the corporation is a majority interest partner at any time in the fiscal period; or
- (b) a partnership that carries on no resource activity as defined in subsection 1204 (6) of the Federal regulations.

(8) For greater certainty, nothing in subparagraph 2 i of subsection (6) affects the nature or extent of any partner's interest in any partnership for the purposes of the definition of "G" in subsection (4) or for the purposes of clause (5) (d).

(a) the corporation’s net loss, if any, for the year for the purposes of Part II.1 of the Act, and

(b) the amount, if any, that would be the corporation’s net income for the year for the purposes of Part II.1 of the Act if the corporation’s net income for the year were not affected by any reduction of that net income attributable to a reduction in the fair value of those investments, and

“B” is the sum of,

- (a) the amount, if any, that would be the corporation's net loss for the year for the purposes of Part II.1 of the Act if the corporation's net loss for the year were not affected by any increase of that net loss attributable to a reduction in the fair value of those investments, and
- (b) the corporation's net income for the year for the purposes of Part II.1 of the Act.

(4) If an eligible winding-up of a designated corporation (in this subsection called the “subsidiary”) is completed after December 31, 1993 and before March 22, 2007, the particular corporation into which the subsidiary is wound up must include in determining its adjusted net income for the purposes of Part II.1 of the Act for its first taxation year referred to in subsection 88 (1) of the Federal Act that commences after the commencement of the winding-up the lesser of,

- (b) the amount that would be the subsidiary's eligible losses under subsection 57.5 (5) of the Act for its first taxation year beginning after the commencement of the eligible winding-up if,

 - (ii) subsection 57.5 (5) of the Act were read without reference to clause (b) of that subsection, and
 - (iii) subsection 57.5 (7) of the Act did not apply.

(6) References in this section to provisions of the Act are references to those provisions as they read,

- (a) for the purposes of clause (2) (b), immediately after the eligible amalgamation; and
- (b) for the purposes of clause (4) (b), immediately after the completion of the eligible winding-up.
